(A) Accessory uses, buildings and structures shall be permitted in any zone within the Municipality but shall not:

- (a) be used for human habitation except where a dwelling is a permitted accessory use;
- (b) be located within the front yard of a lot;
- (c) where an accessory building is built on a corner lot, it shall be located in the rear yard or in the side yard which is not adjacent to the flanking street;
- (d) be built closer to a street on which the main building fronts than the main building is to that street;
- (e) be built closer than 4 feet to a lot line in the Residential (R-2) and 10 feet in Open Space (OS) and Highway Commercial (HC) Zones, except for
 - (i) common semi-detached garages may be centered on the mutual side lot line, and
 - (ii) boat houses and boat docks may be built to the lot line when the line corresponds to the mean high water mark;
- (f) be built no closer to the lot line than the required yard requirements for the principal use on lots in a Residential R-1 and R-2 zones having an area in excess of 30,000 square feet, except where the intended use of the accessory building is to house animals, in which case the provisions of Part 3.2.4 shall apply;
- (g) in Residential R-1 and R-2 zones, for lots having a lot area less than 30,000 square feet, exceed 600 square feet in total floor area where the principal use of the lot is residential, open space or institutional and not exceed the gross floor area of the main building for all other uses, and
 - (h) be built within 6 feet of the main building.

(B) Notwithstanding anything else in this By-law, drop awnings, clothesline, poles, flag poles, garden trellises, fences and retaining walls shall be exempted from any requirements under Part 2.1.(A) above.

2. ACCESSORY USES PERMITTED

Where this By-law provides that any land may be used or a building or structure may be erected or used for a purpose, the purpose includes any use accessory thereof.

3. BUILDING TO BE ERECTED ON A LOT

No person shall erect or use any building unless such building is erected upon a single lot.

4. BUILDING TO BE MOVED

No person shall move any building residential or otherwise, within or into the area covered by this By-law without obtaining a development permit from the Development Officer.

5. CALCULATION OF LOT FRONTAGE FOR CORNER LOTS OR IRREGULAR SHAPED LOTS

The following means shall be used for the purposes of determining the lot frontage of corner lots or irregularly shaped lots:

- (a) In the case of a corner lot with a corner vision triangle the exterior lot lines (street lines) shall be deemed to extend to their hypothetical point of intersection for the purpose of calculating the frontage.
- (b) In the case of other lots, lot frontage shall be deemed to be the horizontal distance between the side lot lines. This distance shall be measured perpendicularly to a line joining the middle of the front lot line with the middle of the rear lot line, at a point along this equal to the minimum applicable front yard.

6. EXISTING BUILDINGS

Where a building has been erected on or before the effective date of this By-law on a lot having less than the minimum frontage or area, or having less than the minimum setback or side yard or rear yard required by this By-law the building may be enlarged, reconstructed, repaired or renovated provided that:

- (a) the enlargement, reconstruction, repair or renovation does not further reduce the front yard or side yard or rear yard that does not conform to this By-law; and

(b) all other applicable provisions of this By-law are satisfied.

7. EXISTING LOTS

Notwithstanding anything else in this By-law, the use of a building existing on a lot on the effective date of this By-law may be changed to a use permitted on the lot where the lot width, front yard, or area required or any two or all of these is less than the requirements of this By-law provided that all other requirements of this By-law are satisfied.

8. EXISTING UNDERSIZED LOTS

Notwithstanding anything else in this By-law, a vacant lot in existence on the effective date of this By-law, having less than the minimum frontage or area required by this By-law, may be used for a purpose permitted in the Zone in which the lot is located, and a building may be erected on the lot provided that all other applicable provisions, such as use, side yards, set backs, and lot coverage, in this By-law are satisfied. In addition, such existing undersized lots may undergo an increase in size and/or frontage undersized as a result of subdivision and still be considered as an existing undersized lot under this By-law.

9. FRONTAGE ON A STREET

No development permit shall be issued unless the lot or parcel or land intended to be used or upon which the building or structure is to be erected, abuts and fronts upon a public street. Those private roads existing as of the date of this By-law shall be exempted from this requirement.

10. FRONT YARD FOR A THROUGH LOT

In the case of a through lot, the front yard shall be deemed to be any yard which abuts either of the two opposite public streets.
